Faces at Graham.

*Published By  
Graham High School  
Bluefield, Virginia*

*Dear Students,*

*We present the faces of our school. The word "faces" means two things here — First it means the actual faces of people, some you won't forget, some you can't; but some you might. Second it refers to various activities which have brought you so much pleasure. Classes, sports, clubs, plays, dances — All of these have been a part of school at Graham.*

*We hope the '62 Graham will help you to recall more vividly the "faces."*

*Your editor,  
Sheila*

## *Dedication*

We, the Annual Staff, are very happy to dedicate the 1962 GRAHAM to Mrs. Thelma Compton, our versatile librarian. She is well known to every student, as library work is a "must" at Graham. Her attractive and original bulletin boards and the pleasant air of informality make the library a delightful place to study.

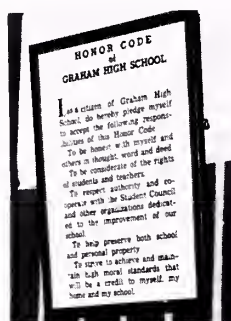

Two of Mrs. Compton's hobbies are riding horseback and writing poetry.

Heads up, girls. Here's the photographer! Three years of physical education are required for all students.

A copy of the Honor Code hangs in every classroom to remind students of the right thing to do.

Wanda Thompson, popular senior, was selected to represent leadership at G. H. S.

# and Things

Graham keeps up with new trends and here we see a class of programmed algebra.

the difference!  
It wasn't even their lunch hour.

In the auditorium is a picture familiar to all students. For years S. N. Huffard served on the School Board and presented the Huffard medal to the highest honor student. His son continues this in his memory.

Paula Hill and Margie Black were selected to attend Girls' State at Radford College in the summer of '61.

Mr. Dalton says this was a "posed" picture. He really doesn't fish through the ice or on school time.

# May Day '61

Crowning of a May Queen is one of the most beautiful activities of G.H.S. This year the May Pole dancers were the tenth graders.

Paulanna James was crowned Queen.
